Expression is the hallmark of human existence: be it creative writing, painting, dancing or any other performing art. Definitely the youth must be encouraged to express themselves freely & be creative. And the College Magazine is the right forum for them to paint their canvas with all colours & shades.

It gives me great pleasure that NMDC DAV College Polytechnic is bringing out their Second Annual Magazine with lot of enthusiasm. The magazine indeed is a mirror and a lamp for the youth to exhibit their talent & provide an opportunity to them to put forth their point of view on various burning issues in the social and economic milieu.

I congratulate Dr. Mukesh Thakur and his editorial team over successful accomplishment of this venture to gauge the academic, extra-curricular and co-curricular index of the college. Keep going ahead and achieve still greater laurels in the field of academic & cultural excellence.

With best wishes,

Director Higher Education
